Day 1 – October 23: Flight to Thessaloniki: Today, we will take our flight to Thessaloniki, Greece.

Day 2 – October 24: Arrival in Thessaloniki

Day 3 – October 25: Thessaloniki
We start our excursion viewing the White Tower, an historical landmark of the city before continuing to visit the Archaeological Museum which houses interesting finds from the Archaic, Classical and Roman periods, with findings from the Sindos area, a suburb of Thessaloniki, a stunning exhibition of golden jewels. Next, make your way up to the Acropolis, located in the upper part of the city. It is here, where you will have a superb panoramic view of the entire city with the Thermaic Gulf and Mount Olympus in the background. We'll visit St. Demetrios Basilica which was erected in the 5th century AD. The five aisled basilicas suffered a tragic fire in the year 1917 but was later restored in 1948. Marvel at the beautiful mosaics, dating back from the 5th to 9th centuries. From here, follow your guide to the area located under the basilica, where you will see the famous crypt, which according to tradition, was once the confinement for an officer by the name of Demetrius who was later executed by the emperor Gallerius. Today, St. Demetrius is the patron Saint of the city. Then view the Arch of Gallerius and St. George Rotunda. The tour will end with a short stop at the well-preserved Byzantine Basilica of St. Sophia, an 8th Century structure, rich in mosaics and frescoes.

Day 4 – October 26: Philippi/ Amphipolis/ Kavala
Touring the Ancient town of Philippi and the modern city of Kavala gives you the opportunity to follow St. Paul's footsteps. First, we will visit Amfipoli and see the famous Lion of Amfipolis. On this full-day tour you'll have the opportunity to visit some of the most important archaeological sites and monuments in North-Eastern Greece such as Lydia's Baptistry, the great Amphipolis Lion statue, discover landmarks of glorious history and admire Greek nature very distinct from the well-known Aegean islands. Then arrive to the resort area of Asprovalta for a coffee stop. This day you'll see the Krenides River, the site of Lydia's baptism and you'll see the Philippian Jail where Paul and Silas were imprisoned? Continue to the church site of St. Lydia's Baptistery where the first Christian woman of Europe was baptized and then proceed to the Archaeological site of Philippi, founded by Philip II King of Macedonia, father of Alexander the Great. It was here where St. Paul set foot on the European Continent during his second missionary journey, establishing a thriving Christian church. The ruins include the Forum Romano with its Basilica, St. Paul's Prison and the Theater. The famous ancient road Egnatia, which once ran from the Adriatic Sea all the way to Constantinople (modern time Istanbul), passed by this city. The next stop is in Kavala (ancient site of Neapolis) for lunch with traditional specialties and a city tour giving you the opportunity to view the Sylas Monastery named after one of St. Paul's companions. Return to Thessaloniki in the late afternoon.

Day 5 – October 27: Vergina Drive from Thessaloniki to Vergina, the first capital of ancient Macedonia
We start our day with a drive to Pella, birthplace of both Phillip the II and Alexander the Great. We visit the excavations with the unique pebble floor mosaics. We later go to Vergina, first capital of ancient Macedonia and burial place of all Macedonian Kings. We visit the newly completed exhibition bearing the finds of all three tombs, one of them famous as the Royal Tomb (allegedly belonging to Philip the II, father of Alexander the Great). We will visit the unique subterranean structure built to encase and protect the ancient excavated Royal Tombs, as well as the exhibition with all the findings. Continue further south passing from the town of Veroia where we will see the bema where St. Paul stood and preached to the Greeks. Then continue to Athens.

Day 6 – October 28: Athens
A full day tour where you will view many significant historical and archaeological monuments that date back to the Golden Age of Pericles, in the 5th century BC. During that time, the wealthy, newly democratic and invigorated city-state decided to rebuild the Temples on top of the Acropolis in great splendor. Visit the Parthenon, dedicated to the Goddess Athena, a unique masterpiece of Greek Architecture. This monument is recognized as the culmination of Greek architecture and sculpture. Examine the Propylea, which blends Doric and Ionic building principles. Continue to the Temple of the Athena Nike (Wingless Victory) and the Erechtheum Temple, which was formerly used for cult worship and consists of three basic parts: the main Temple, the north extension, and the famous Porch of Maidens. Explore the Museum of the Acropolis housing many masterpieces. The Acropolis Museum is considered one of the most important archaeological museums in Athens and ranks among the most important museums of the world. The museum houses more than 4,000 artifacts from the Acropolis site, and its exhibits cover the Greek Bronze Age as well as the Roman and Byzantine periods. Next will be Mars Hill, where St. Paul preached Christianity. You will have a chance to see the Ancient Agora, Tower of the Winds, Herodes Atticus Theater, Theater of Dionysus, Temple of Zeus, the Tomb of the Unknown Soldier and the former Royal Palace which is now the House of Parliament. Continue by bus to the University of Athens, the Academy of Athens, the National Library and then to the "Panathenian" Olympic Stadium where the first modern Olympic Games were held in 1896. {You will have the chance to enjoy lunch at a traditional restaurant in the center of Athens. Then you will have the chance to stroll at the Plaka which is the historic heart of Athens. Blending with the adjacent Monastiaki district, the Plaka area seems to have a little of everything, from the ancient ruins of a Roman forum, the Greek Agora, and Byzantine-influenced churches, to restored 19th-century neoclassical homes and modern-day stores, boutiques and cafes sprinkled throughout. Enjoy some late afternoon free time.

Day 7 - October 29: Ancient Corinth
Corinth is a city blessed with a superb location, fertile plains and virtually impregnable refuge. Excavations reveal that the ancient city was huge and wealthy; a survivor of the numerous invasions but devastated by earthquakes. St. Paul lived and worked in Corinth for 18 months, making converts where he could. The Bema (platform) where the Roman governor tried him is still visible. See one of Corinth's most striking ancient buildings – the Temple of Apollo, seven of whose original columns still stand. Walk through the remains of the Market Place, a colonnaded square once surrounded by many small shops. See the celebrated Fountain of Priene, which has produced water from earliest times, and the Lechaion Road, formerly the main thoroughfare to the port of Lechaion. You will then visit the incredible Corinth Canal. The concept of cutting a canal through the Isthmus of Corinth to link the Ionian and Aegean seas was first proposed by the tyrant Periander, founder of Ancient Corinth. The magnitude of the task defeated him, so he opted instead to build a paved slipway across which sailors dragged small ships on rollers, a method used until the 13th century. Nero, Rome's most infamous emperor, inaugurated one attempt in 67 AD with his golden spade, but it was finally completed in 1893. Then return to Athens.

Day 8 – October 30: Depart for port to board cruise ship. Athens (Greece) - Depart: 11:00 Mykonos (Greece)
Depart 23:00 You may want to disembark at Mykonos and do a walking tour of the island on your own.

Day 9 – October 31: Kusadasi (Turkey) Kusadasi, Turkey
Tips for the Terrace Houses Tour Code KUS-07 Every step we take in Ancient Ephesus brings us closer to the Hellenistic, Roman and early Christian eras. We will enjoy a truly exceptional experience in one of the most important and complete classical cities in Europe, even though only a fraction of it has been uncovered. We pass through the Magnesian Gate and wander through the Agora, Odeon, the magnificent and restored Library of Celsus, the marble-paved Main Street of Curetes, Baths of Scholastica, The Great Theatre, Trajan's Fountain, the Houses of the Patricians, Prytaneum and the Temple of Hadrian. Opposite Hadrian's Temple, at the foot of the Bulbul Hill and the covered part of the archaeological site, protected from the heat and natural elements, lie the Houses of Koressus or Terrace Houses. It was here that the wealthy families of Ancient Ephesus lived. These villas are excellently preserved, especially the interior decor. The oldest houses so far unearthed date from the 1st Century BC, were built on two storeys and even had hot and cold water and a heating system, clay pipes under the floor. The houses were constructed to a city plan in which roads intersected with each other at right angles. Ephesus, which became the second largest city in the Roman Empire, was dedicated to the goddess Artemis and the magnificent temple built to honor her took 120 years to complete. It is one of six of the Seven Wonders of the Ancient World that have long gone. Our tour includes time to shop for carpets, souvenirs, jewelery, leather and other goods.

Depart: 12:30 Patmos (Greece) - A Personal Pilgrimage Tour Code PAT-01 This excursion takes us to a small but fascinating island with connections to the Bible and to the Gods. Patmos in the Aegean is among the northernmost islands of the Dodecanese. It is has a long been a place of pilgrimage because Patmos is mentioned in the Book of Revelation, the last book of the Christian Bible. It records that St John the Evangelist received a vision from Jesus here. Visitors can see the location where John is said to have had the revelation, the Cave or Grotto of the Apocalypse. Meanwhile a number of churches are named after the apostle and we are able to call at the Monastery of St John. The picturesque alleyways wind up to the Monastery which was founded by St. Christodoulos in 1088. We are able to enter the yard, where the monks take their meals and the old bakery. Of exquisite beauty is our tour of the Byzantine Church of St John, adorned with a wood-carved icon screen, important frescoes from several periods of history. Next we stop at a small museum which is home to priceless religious treasures including manuscripts, medieval textiles and vestments. Behind the chapel of St Anne lies the entrance to the Grotto of the Apocalypse. We will see the cross engraved by St John and the triple fissure in the wall where John is said to have heard God telling of the Apocalypse. You may feel the historical and religious enormity of this special moment. In Greek mythology Patmos originally existed at the bottom of the sea but Zeus was persuaded to allow it rise from the waters. The sun dried the land and people from the region began inhabiting the island they named Letois after the goddess Artemis.

Day 10 – November 01: Santorini (Greece) - Depart 20:00 Santorini, Greece
Shop For Souvenirs Tour code SAN 01 If you are a first time visitor to Santorini she will take your breath away. And even if you are a regular visitor, with her soaring landscapes and whitewashed houses she will still do that every time. She is regularly described as one of the most beautiful places on the planet. There are plenty of magic moments on our excursion. One of the greatest spectacles is Oia village perched on the rim of the Caldera, the remains of a volcanic eruption Santorini is a ring of rock around the sea. Think of it as the rim of an old volcano. First we head to Megalochori, one of the most authentic and unspoiled villages on the island, retaining its distinctive architecture, character and charm. Our trip continues eastwards through a number of traditional communities like Firostefani and Imerovigli until we arrive at Oia. On our journey we will have had the lace-like caldera to our west, the little islands of Thirasia, Palea and Nea Kameni and an incredible, unsurpassed panoramic view. There is plenty of time in Oia to explore, stroll the marble-paved alleys, visit the adorable shops and capture the moments on camera. Admire the traditional buildings carved into the rocks and the unusual captain's manors, the settlement of Ammoudi at the foot of the caldera.
